Equity Research: Brief of listed companies and foreign companies for equity research

VALUE DELIVERED

- Dedicated Professional Team
- Cost Effective Solutions
- Excellent communication model for quick turnout periodically

The client was one of the Equity Research firm from Chicago, IL and wanted us to deliver quick results with deadlines. The work was complicated and involved lot of research work on the descriptions with latest updates.

Solutions Delivered

- We needed to have 3,000 written company descriptions of U.S. and foreign equities.
- We quickly devised a plan of action to accomplish the task by the deadline.
- Quickly outlined the project, organized teams of workers and delegated the work.
- A schedule was sent advising the client when dispatches of work would be sent via e-mail on a daily basis, for their review and feedback.
- The client found the work ethic of all involved to be exceptional, and reliability superb, worked closely and was pleased with quality of the work,
- Went out of the way to accomplish the goal.
